Dear Mr Mansfield

Moorlands Connect Bus Service

Thank you for your email.

Just to clarify, any entitled pupils will still be provided with home to school transport. However, the main efforts are focused on joint working with Ashbourne Community Transport and we can fully engage with other partners including the Districts and Parishes.

In summary, we have worked through a revised Moorlands model but it will require partner funding and it is these discussions which we will now need to pursue.

I will be attending these discussions and please be assured that I will be trying to do my best for the Moorlands.

Yours sincerely

Gill Heath
Cabinet Member for Communities
